Opened in December 2013, this luxury beach hideaway has also risen to number 11 out of a total of 345 hotels in the Riviera Maya, in only four months.

Affiliated with The Leading Hotels of the World®, a guarantee of excellence, impeccable service and quality, Grand Residences has been receiving glowing reviews since it opened. Nestled on one of the world's finest beaches to the south of the picturesque fishing village of Puerto Morelos, it is an oasis of barefoot luxury where guests can relax and reconnect with nature and yet still be close to the shopping and nightlife offered by Cancún and Playa del Carmen.

For an unforgettable vacation with family or friends, Grand Residences offers spacious and luxurious ocean-view or beachfront suites with one, two, three or four bedrooms. The open-air terraces offer spectacular views of white sand, sparkling turquoise waters and the world's second longest coral reef just offshore. Some of the two, three and four-bedroom units also have private pools, gardens or even roof terraces with a larger pool, whirlpool tub, grill and bar for entertaining.

Grand Residences Jr. Suites are perfect for a relaxing getaway and have a spacious bedroom with a seating area, full bathroom, a kitchenette and a terrace.
